Dan,

I'm checking on your progress on getting the bond in order and resolving the issues that came up in our meeting on 7/22. Hopefully, you can get these things resolved. I need to reiterate that 8/18 is a hard deadline for getting the NOI submitted, I have no discretion on that. After 8/18, if no NOI is received, We will have no choice but to have Pine Ridge stop working on the site, and I will have to post the Cessation Order on the entrance sign. Please read the back of the Notice of Violation that was originally issued for your options. Let me or Penny know if you have any questions.
